2nd SKIEF Seminar

50th Anniversary SOSHINKAI

Porto, June 3, 2015

Dear Friends, SKIF and SKIEF Members!

As previously announced, SKI-Portugal will be celebrating the 50th anniversary of its first Dojo, the SOSHINKAI Academy, throughout the year 2016.

The program of these celebrations will include our traditional Seminar Kanazawa Kancho which will take place on April 22, 23 and 24, 2016. In parallel, and as announced last October, the 2nd SKIEF Seminar will be held on those dates.

In addition to the Seminar sessions on April 22 and 23, we will have technical sessions for referees, a Tournament on the 24th (in the morning), and the party in the afternoon, a boat trip along the Douro river.

Please find below some preliminary information:

1) SKI Portugal has already established agreements with hotel and training facilities to ensure affordable accommodation prices.

a) 4-star Hotel: single-room € 55; double-room € 60; triple-room € 85 (per night, breakfast included)

b) Training center (next to the Seminar venue): price per person: € 30 single-room; double-room € 20; triple-room € 17. (per night, breakfast included).

2) We will make every effort to ensure transportation from the airport to the hotel and from the hotel to the training hall.

We would be very grateful if the representatives for each country could indicate approximately the expected number of participants in the Seminar as well as the party. We very much hope that this event constitutes an encounter celebrating Friendship between all members of SKIEF and SKIF.

This prior information should be sent by 30 June.

The final registrations for the Seminar, the Tournament and the party should be made until December 31, 2015.

Best regards,

OSS!
